Hi Eric,

I agree with Cheryl, please explain what you are interested in as we have a couple CAFO matters going on in Wisconsin. I see you work in SDWA. Cheryl works in CWA enforcement and I work in SDWA. Cheryl has written reports for various CAFO investigations in Wisconsin. I get involved if there is a potential SDWA issue, but I haven't written any reports.

Thank you,
Jenny

Hi Eric:

I am not sure what summary report you are asking for. I have not been a part of the discussions, since I finished my reports in October. The inspection reports have been posted on EPA Region5's website. You can find it by searching EPA's investigation in Northeast Juneau County, Wisconsin.

Cheryl and Jennifer,

Someone on my team recently asked me about the status of your CAFO study in Wisconsin. Will you please forward me a copy of the summary report?
